VILLAGE BIBLE
CHURCH

SMALL GROUP HANDBOOK 2021-2022

Welcome to Small Groups!

We're so glad you've joined a small group - they are essential to our church!

We hope that everyone at Village would be engaged in 3 ways: 1) Worshiping together on Sunday morning; 2) Growing together in a small group; 3) being a steward of their time, talents and treasures – giving back to God.

We're called together to worship and celebrate God's goodness in our lives – we do that on Sunday morning. But we're also called to care for one another – to encourage, to challenge to walk alongside each other. If someone just comes and goes on a Sunday morning, it's difficult (if not impossible) to care for one another – to become part of the family. That happens in small groups! Small groups are our primary channel of care and discipleship – that's why they're so crucial.

Our small group format is focused on studying God's Word together, praying together and having fun together. The Bible study portion of the evening is designed to help you dig deep into God's Word and apply it to your life – today! Here's how we do that:

1. **Study God's word on your own.** The questions in the lesson each week are designed to help you understand what the scripture is saying and to get you to think about how it applies to your life. Rather than rushing through the lesson the night before small group, I would encourage you to spread it out over several days. Use it as your daily time in God's Word, if you don't have another plan. It takes most people 2 hours to thoroughly complete the lesson. You can do it more quickly, but like anything - you'll get the most out of it if you invest the time.
2. **Talk about it in small group.** When we come together, we'll talk about what God has been teaching each of us through our study the previous week. This helps us to gain a greater understanding as we hear how others have applied the scriptures to their own lives.
3. **Hear it taught on Sunday.** The sermon on Sunday will then focus on the text that you've already studied on your own and talked about in your small group. When you come to church, you'll have a great foundation for the sermon that will be shared. It will be more relevant and applicable because you've already spent time allowing God to teach you.

We're praying that God works powerfully in your life through your small group this year.

Logistics

Our small group lessons are written by Pastor Tim and will be picked up each Sunday by your small group leader. You can also pick one up yourself at the small group table on Sunday if you're going to be out of town for your small group – and if you prefer the digital version, you can download it at www.villagebible.church/smallgroup.

Costs

The costs are relatively small per person but do add up when carried churchwide. Accordingly, if you're able to offset our costs, that is much appreciated. Your small group leader will have an envelope to collect contributions for small group material and for childcare.

If you're experiencing financial hardship, however, we don't want costs to be a barrier. *It's more important that you are in a group and that each person has a copy of the study than to collect a donation from you to offset our costs.* God always takes care of the money one way or another!

For those who are able to assist with the costs, the estimated costs for our small group this year are:

Small Group Study Materials: \$20 per person, per semester. This cost covers production of our study guides and materials that we'll use throughout the year.

Childcare: \$5 per family per night = \$75 per semester for those who utilize childcare at the small group. You are welcome to give \$5 each week, or to pay it all upfront so you don't have to remember each week!

You can give this to your leader or give it online: www.villagebible.church/give

Community

God is relational, so He created us to live in relationship with Him and each other.

Authentic community involves sharing life together and connecting on many levels with others in our group.

Healing best occurs within the context of community and relationships. It's vital to see ourselves through the eyes of others, share our stories, and ultimately find freedom from the secrets and lies that enslave our souls.

Bible Study

Gain a deeper knowledge of God's Word

Interactive: God gave the Bible as our instruction manual for life. We need to deepen our understanding of God's Word. People learn and remember more as they wrestle with truth and learn from others. Bible discovery and group interaction enhance growth!

Sermon-Based: In effort to focus our study efforts and to “master” sections and themes of scripture, our small groups are typically tied to the Sunday morning sermons, which provides an opportunity to take a passage of scripture and study it individually, discuss it with others and then experience it taught from the pulpit.

Experiential Growth

Beyond solely reading, studying, and dissecting the Bible, being a disciple of Christ involves reunifying knowledge with experience. We do this by taking questions to God, opening a dialog with our hearts, and utilizing other ways to listen to God speak (other people, nature, circumstances). Experiential growth is always grounded in the Bible as God's primary revelation and our ultimate truth-source.

Power of God

Processes and strategies will be ineffective unless we invite and embrace the presence and power of God. To experience community and growth, Jesus needs to be the centerpiece of our group experiences and the Holy Spirit must be at work.

Mutual Ministry

Each member of the group is looking for ways to minister to the other members of the group, helping to meet each other's needs. This care will take many forms, such as praying, listening, meeting needs, encouraging and even challenging one another as needed.

Multiplication

All groups should also be prayerfully considering a way to extend the ministry of their Small Group through Multiplication. This means eventually forming two or more groups so that others who are not yet in Small Groups can continue to find places to connect with a Small Group.

Shepherding

Small groups are the main channel for shepherding within our church. An elder is partnered with each of the small group leaders who together work to shepherd the people in the group and its “extended family.”

SMALL GROUP COMMITMENTS

I Will Prioritize

While we are in this group, we will give the group meetings priority in our schedules and will also arrive on time. Obviously, allowances are made for sickness, vacation, work conflicts and other special events — but not much more! This commitment is the key to a healthy group. If I am unable to come to a meeting, I will contact the small group leader to let them know.

I Will Attend with Completed Homework

Joining a small group requires a commitment to attend each week and to do the homework ahead of time. Most weeks, the homework will require about 60-90 minutes to adequately prepare for the group study and discussion.

I Will Participate

Everyone is encouraged to participate, and no one dominates.

I Will Show Respect

Everyone is given the right to his or her own opinions, and all questions are encouraged and respected.

I Will Maintain Confidentiality

Information shared in our meetings should not be repeated outside the meeting without permission and should not become a point of gossip. *(In certain cases, the leader may need to seek wisdom and guidance from one of our church elders.)*

I Will Show Care and Support

Permission is given to call upon each other at any time, especially in times of crisis. The group will provide care for every member.

I Will Be Accountable

We agree to let the members of our group hold us accountable to commitments we make in whatever loving ways we decide upon. Unsolicited advice giving is not permitted.

I Will Fill the Empty Chair

Our group will work together to fill the empty chair—either someone in the church who is not in a small group or an unchurched person or couple.

I Will Be Mission-Minded

We agree as a group to reach out and invite others to join us and to work toward multiplication of our group to form new groups.

I Will Minister

We will encourage one another to serve God within the church and also to get outside the walls of the church to serve in a way that impacts the world around us.

This covenant is reviewed and signed at the beginning of each year by all groups. Groups that are continuing, still review the covenant during the first meeting of each quarter.

This covenant will help us discuss and clarify our goals, expectations, and commitments as a group. Since healthy groups thrive on trust and participation, a clear covenant is an important starting point toward a successful group experience.
