This summer Coach Monica Williams will conduct volleyball camps for students entering grades 1—9 in the fall. Coach Williams played volleyball for Lisbon Grade School, Newark High School, and Wheaton College, and has since been inducted into the Sports Hall of Fame at both Newark High School & Wheaton College. She coached for 10 years at the high school varsity level and 10 years at the middle school level, and has run camps for over 20 years. Several area high school athletes will serve as the assistant coaches for the Williams Summer Volleyball Camps. Coach Williams LOVES to teach solid fundamentals!

The purpose of the camp is to equip athletes with the skills needed to be successful volleyball players. Camp offers individual instruction in basic and intermediate volleyball techniques. This camp is designed for participants interested in developing and refining the skills of passing, setting, spiking, blocking, digging, and serving. Tactics and teamwork skills essential to an improved level of play will also be emphasized.

Beyond just developing skills relating to volleyball, Coach Williams' desire is to see young athletes develop strong character qualities through competing in athletics. Coaches in Monica's life have taught her great life lessons through sports, and she would like to pass these lessons along to others as well!
